

CITY OF SAN DIEGO LEGAL DEFENSE FUND DISCLOSURE OF PENDING MATTERS

(San Diego Municipal Code § 27.2965(e))

An individual who makes a contribution to a legal defense fund established by an elected City Official or a candidate for elective City office must accompany the contribution with a disclosure form identifying the particulars of any matters that the contributor has pending before the board, commission, department, or agency of which the City Official or candidate is a member or employee.

A contributor with a pending matter is not prohibited from making a contribution to a legal defense fund. Instead, the contributor is simply required to disclose the pending matter on a form that the committee will file with its campaign statements.
